ABOUT ME

Principal Product Manager at Apple with 11 years of experience driving product strategy for consumer hardware and software. Launched 4 major product lines generating a combined \$3.2B in revenue. Expert in translating complex user research into compelling product roadmaps and working closely with engineering, design, and marketing teams to ship world-class experiences.

EDUCATION

London Business School

MBA — Strategy & Innovation

2012 – 2014

University of Edinburgh

B.Eng. Electronics & Software Engineering

2007 – 2011

EXPERIENCE

Principal Product Manager — Apple (iPhone & iOS)

London | Mar, 2019 – Present

- Owned end-to-end product strategy for iPhone Camera software, driving a 22-point NPS increase across 3 consecutive generations.
- Defined and shipped 6 major iOS features with combined install base of 1.1 billion active devices.
- Established a mixed-methods user research framework adopted across Apple's European product org.
- Managed a portfolio roadmap across 3 concurrent product lines with cross-functional teams of 60+.

Senior Product Manager — Spotify

Stockholm | Jun, 2014 – Mar, 2019

- Led monetization product strategy for Spotify's Premium tier, contributing to 35% subscriber growth YoY.
- Launched Spotify's personalized playlist feature (Discover Weekly) — now with 40M weekly active users.
- Collaborated with data science teams to build an A/B testing framework used across 200+ experiments per quarter.

PROJECTS

Accessible UX Initiative — Apple Internal

- Championed accessibility improvements for VoiceOver and Dynamic Type, reducing user-reported accessibility friction by 38%.
